Mai Tai

METHOD

1. Add ingredients to shaker tin.
2. Add ice.
3. Shake hard until well chilled.
4. Strain over fresh ice into double rocks glass.

GARNISH

Mint Bouquet, Lime Shell

BARTENDER NOTES

MAI TAI

- A real Mai Tai is rum, curaçao, lime, and orgeat.
- Fresh lime juice is essential.
- Orgeat should add almond richness without making the drink heavy.
- The rum should still lead the drink.
- The finished drink should be bright, layered, and balanced.

LIQUID MARGIN
